Administrative Information

Prefered Citation

Smithsonian Institution Archives, Accession 16-111, Chester A. Reeds Papers

Descriptive Entry

This accession consists of field notes of Chester A. Reeds (1882-1968), a professor at the University of Oklahoma and later a curator at the American Museum of Natural History. These field notes were made when Reeds was hired by Edward Oscar Ulrich as a collector with the United States Geological Survey. Materials also include scientific illustrations.
