## Series 2: Photographic Materials, circa 1980-2008

### *19 Linear feet (Boxes 55-74)*

**Arrangement:** Photographs were removed from binders and are arranged alphabetically by artist. Slides are in sheets arranged by year, then alphabetically by artist.

**Scope and Contents:** Photographs, snapshots, and digital photographs are primarily of artwork in the Cranmer conservation studio, dating from 1998 to 2003. Separate groups of photographs depict conservation staff and artwork by Donald Judd at Locksley Shea in 1999, and conservation staff with Frank Stella work, "Valparaiso Green," in the 1990s. Studio photographs are of conservation staff in the 1980s, 1990s, and 2000. Slides depict works of art and detail images of conservation concerns from 1988 to 2008. Researchers should note that most slides and photographs of Brice Marden and Ellsworth Kelly works are found in Series 1, Client Files.
