Administrative Information

Acquisition Information

Donated 1985 by Richard Nutt. The materials were mainly compiled by Lincoln Kirstein, who had hoped to write a book on Rimmer. In 1946 he wrote the catalog essay to the exhibit "William Rimmer, 1816-1979" at the Whitney, and in 1955 turned the materials over to Nutt for a catalog *raisonne* (never published). Both Kirstein and Nutt believe Mrs. Rimmer discarded her husband's papers.

Restrictions

Use of original papers requires an appointment and is limited to the Archives' Washington, D.C., Research Center. Contact Reference Services for more information.
