Jorge Tacla (1958-) is a Chilean born painter who lives in and primarily works in New York, New York. Tacla attended the Escuela de Bellas Artes, Universidad de Chile and moved to New York in 1981. Throughout his career, Tacla has been awarded numerous grants and fellowships including the John Simon Guggenheim Memorial Foundation Fellowship in 1988. His paintings often present half-imaginary landscapes, such as a disintegrating urban site or a pristine desert. Tacla's work has been included in numerous group and solo exhibitions at galleries and museums around the world.

Scope and Contents
The papers of painter Jorge Tacla measure 5.05 linear feet and date from 1966-2019. Included are biographical material; letters from friends and other artists; project and exhibition files; photographs consisting of snapshots of Tacla, friends, and paintings; eleven illustrated journals; and printed material. The papers document Tacla's creative process and his relationships with other artists.

This collection documents source material for Tacla's paintings, the creative process through which he makes paintings, his career as an artist working in New York and Chile, and his friendships with other artists. Materials include immigration papers; resumes; an artist bio; an oral history interview transcript; personal and professional correspondence; draft essays; sketches; drawings; sketchbooks; exhibition announcements, catalogs, posters, checklists, and press packets; clippings related to major world events and reviews of Tacla's work; and photographs of Tacla with other artists and colleagues, friends and family, installations, his studios in New York and Chile, and his work.
