Administrative Information

Acquisition Information

This interview is part of the Archives of American Art Oral History Program, started in 1958 to document the history of the visual arts in the United States, primarily through interviews with artists, historians, dealers, critics and administrators.

Restrictions

This interview is open for research.

Terms of Use

The Archives of American Art makes its Oral History Program interviews available for non-commercial, educational and personal use unless restricted by donor restrictions, including but not limited to access and publication restrictions. Quotation, reproduction and publication of the audio is governed by restrictions. If an interview has been transcribed, researchers must quote from the transcript. If an interview has not been transcribed, researchers must quote from the audio recording. Please refer to the Smithsonian's Terms of Use for additional information
