### Available Formats

35mm microfilm reel 3480 available at Archives of American Art offices and through interlibrary loan.

### Restrictions

Use of original papers requires an appointment and is limited to the Archives' Washington, D.C., Research Center. Microfilmed materials must be consulted on microfilm. Contact Reference Services for more information.

## Scope and Contents

A letter to Warr from Leslie Stephen, father of Virginia Woolf, regarding Virginia's study of classical literature with Warr. Stephen tells Warr that his daughter "has been in a very nervous state...and has given me some anxiety...I should be grateful if you would just remember to let her off with light work."
