Collection Overview

Repository:	Archives of American Gardens
Title:	The Garden Club of America Archives' Slides and Lectures
Date:	circa 1920-1992
Identifier:	AAG.GCA.ARC
Creator:	Garden Club of America (Donor)
Extent:	561 Lantern slides Good condition, with the exception of a 16mm film affected by vinegar syndrome.
Language:	English .

Administrative Information

Preferred Citation

Smithsonian Institution, Archives of American Gardens, The Garden Club of America Archives' Slides and Lectures

Restrictions

Access to original archival materials by appointment only. Researcher must submit request for appointment in writing. Certain items may be restricted and not available to researchers. Please direct reference inquiries to the Archives of American Gardens: aag@si.edu.

Conditions Governing Use

Archives of American Gardens encourages the use of its archival materials for non-commercial, educational and personal use under the fair use provision of U.S. copyright law. Use or copyright restrictions may exist. It is incumbent upon the researcher to ascertain copyright status and assume responsibility for usage. All requests for duplication and use must be submitted in writing and approved by Archives of American Gardens. Please direct reference inquiries to the Archives of American Gardens: aag@si.edu.

Content Description

This collection contains 561 glass lantern slides, approximately 340 glass 35 mm slides, and three 16mm films that were used for lectures on various subjects such as floral arrangements, nature scenes, plants, wildflowers, conservation, children's nature classes, U.S. state and national parks, the Canadian Rockies, and various gardens. Included are slides depicting visitors, wildlife, and plants on Barro Colorado Island, now home to the Smithsonian Tropical Research Institute. Materials included are 9 cassette tapes and 3 carousels from programs and meetings at The Garden Club of America.

Glass Lantern Slides

California

CA630: Weott -- Humboldt Redwoods State Park

Notes: In 1930, The Garden Club of America partnered with the Save the Redwoods League (founded in 1918) in its fight to preserve redwoods from extensive logging. By 1931 the GCA raised over \$90,000 from its members to aid the State of California in purchasing 2,567 acres of redwood grove in Humboldt County. This grove, dedicated in 1934, is known as The Garden Club of America Grove. Over the next several decades, the GCA continued to assist the Save the Redwoods League in purchasing more land, and now the grove encompasses more than 5,100 acres. This grove is a core part of the Humboldt Redwoods State Park and the third-largest dedicated grove in the California State Parks system.

CA630_ARC001: [[Humboldt Redwoods State Park](#)]: [[Redwoods](#)], circa 1930-1940

1 Lantern slide (black and white; 3.25 x 4 inches)

Photographer: Van Altena, Edward

District of Columbia

Washington -- Washington D.C. Chapter, Wild Flower Preservation Society of America

DC005_ARC001: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]: Will You Help Save the Wild Flowers, 1922](#)

1 Lantern slide (black and white; 3.25 x 4 inches)

Notes: Mount reads: "Property of Washington D.C. Chapter; Wild Flower Preservation Society of America." Slide text reads: "Will you help save the wild flowers by not picking them and help protect the trees by not breaking the branches, keep them for next year and every year, Garden Club of America." Historic plate number: "S120."

Topic: Wild flowers
Conservation
Conservation of natural resources

DC005_ARC002: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]: \[Virginia Grape or Rattlesnake fern \(Botrychium Virginianum\)\], circa 1920-1930](#)

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." Botrypus virginianus is a synonym for the scientific name.

Topic: Ferns
Leaves
Plant specimens

DC005_ARC003: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]: \[Cinnamon Fern \(Osmunda cinnamomea\)\], circa 1920-1930](#)

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." The preferred scientific name is Osmundastrum cinnamomeum.

Topic: Ferns
Plant specimens

DC005_ARC004: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]: \[Royal Fern \(Osmunda regalis\)\], circa 1920-1930](#)

1 Lantern slide (color; 3.25 x 4 inches)
Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America."

Topic: Ferns
Plant specimens

DC005_ARC005: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Climbing Fern \(Lygodium palmatum\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)
Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." Historic plate number: "57." Another climbing fern is the Japanese climbing fern, *Lygodium japonicum*. Therefore, American climbing fern is the preferred common name when referring to the North America species. Other common names for the American climbing fern include Hartford fern and Alice's fern.

Topic: Ferns

DC005_ARC006: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Blunt-lobed Fern \(Woodsia obtusa\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)
Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." The preferred common name for the plant is Blunt-lobed cliff fern.

Topic: Ferns

DC005_ARC007: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Bulblet \(or Berry\) Fern \(Filix bulbifera\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)
Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." *Cystopteris bulbifera* is the current scientific name assigned to this plant; *Filix bulbifera* is an earlier name. Common names include Bulblet Fern, Bulblet Bladder Fern, and Berry Bladder Fern.

Topic: Ferns
Tree trunks
Leaves
Virginia creeper

DC005_ARC008: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Ostrich Fern \(Matteuccia struthiopteris\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)
Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." Mayapples (*Podophyllum peltatum*) appear prominently in this image.

Topic: Ferns
Wild flowers

DC005_ARC009: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Sensitive Fern \(Onoclea sensibilis\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America."

Topic: Ferns
Invasive plants

DC005_ARC010: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Crested Woodfern \(*Dryopteris cristata*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America."

Topic: Ferns

DC005_ARC011: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Male Fern \(*Dryopteris filix-mas*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." The image appears to show a rock garden that includes other native plants, such as mayapples, in addition to the ferns. Note the structure and chair in the background.

Topic: Ferns
Wild flowers
Rocks
Rock gardens

DC005_ARC012: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Goldie's Fern \(*Dryopteris goldieana*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." Another common name is giant Wood Fern.

Topic: Ferns

DC005_ARC013: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Margined Wood-fern \(*Dryopteris marginalis*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." The preferred common name is Marginal Wood Fern and Marginal Shield Fern is an alternative name.

Topic: Ferns
Rocks

DC005_ARC014: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Spinulose Shield Fern \(*Dryopteris spinulosa*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." The correct scientific

name is *Dryopteris carthusiana*. Other common names include Spinulose Wood Fern and Toothed Wood Fern.

Topic: Ferns
Leaves

DC005_ARC015: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#); [\[Broad Beech Fern \(*Dryopteris hexagonoptera*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America."

Topic: Ferns

DC005_ARC016: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#); [\[Narrow Beech Fern \(*Dryopteris phegopteris*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." The scientific name is now *Phegopteris connectilis*. Other common names include Long Beech Fern and Northern Beech Fern.

Topic: Ferns

DC005_ARC017: [\[Washington, D.C. Chapter, Wild Flower Preservation Society of America\]](#); [\[Christmas Fern \(*Polystichum acrostichoides*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America."

Topic: Ferns
Fiddleheads
Leaves

DC005_ARC018: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#); [\[Walking fern \(*Camptosorus rhizophyllus*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." The scientific name is now *Asplenium rhizophyllum*.

Topic: Ferns
logs

DC005_ARC019: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#); [\[Silvery Spleenwort \(*Athyrium thelypteroides*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." The current scientific name is *Deparia acrostichoides*. Another common name is Silvery Glade Fern.

Topic: Ferns
Tree trunks

DC005_ARC020: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Narrow-leaved Spleenwort \(*Asplenium pycnocarpon*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." The current scientific name is *Homalosorus pycnocarpus*. Another common name is Narrow-leaved Glade Fern.

Topic: Ferns

DC005_ARC021: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Lady Fern\] \(*Athyrium filix-femina*\)](#)], circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America."

Topic: Ferns

DC005_ARC022: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Mountain Spleenwort \(*Asplenium montanum*\)\]](#)], circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America."

Topic: Ferns
Rocks

DC005_ARC023: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Ebony Spleenwort \(*Asplenium platyneuron*\)\]](#)], circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America."

Topic: Ferns
logs

DC005_ARC024: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Maidenhair spleenwort \(*Asplenium trichomanes*\)\]](#)], circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." Historic plate number: "55."

Topic: Ferns
Rocks
Maidenhair ferns

DC005_ARC025: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#): [\[Maidenhair fern \(*Adiantum Pedatum*\)\]](#)], circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America." The correct scientific

name is *Adiantum pedatum*, while the common name is Northern
maidenhair fern.

Topic: Ferns
Maidenhair ferns

DC005_ARC026: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#); [\[Common Polypody \(*Polypodium vulgare*\)\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Notes: Mount reads: "Furnished by Washington D.C. Chapter; Wild Flower Preservation Society of America."

Topic: Ferns
Rocks

DC005_ARC027: [\[Washington D.C. Chapter, Wild Flower Preservation Society of America\]](#); [\[Holly and Ground Pine in the Market\]](#), circa 1920-1930

1 Lantern slide (color; 3.25 x 4 inches)

Topic: Geysers -- Yellowstone National Park
National parks and reserves -- Yellowstone National Park
Parks -- Yellowstone National Park

WY001_ARC004: [\[Yellowstone National Park\]: Jupiter Terrace, circa 1930-1940](#)

1 Lantern slide (color; 3.25 x 4 inches)
Photographer: Haynes, Jack Ellis, 1884-1962
Notes: Border label reads: "J. E. Haynes, St. Paul, Official Photographer of Yellowstone National Park. Haynes Studios, Selby Ave., St. Paul, Minn., J.S.A." Historic plate number: "5." Located in the Mammoth Hot Springs area of the park, Jupiter Terrace is a travertine formation of chalky white rock created when hot water rises through limestone.

Panama

PAN001: Barro Colorado Island

Notes: Barro Colorado Island (BCI) was designated by the United States as a nature preserve in 1923 by Jay J. Morrow, governor of the Panama Canal Zone. Less than a year later the Barro Colorado Island Biological Laboratory opened under the management of James Zetek. After the Government Reorganization Act of 1946, BCI became a bureau of the Smithsonian Institution. The Smithsonian Tropical Research Institute, which includes BCI, was established in 1966.

In 1935 members of The Garden Club of Palm Beach traveled to Panama where they visited BCI for a short time. There is a possibility that the images in the AAG Garden #PAN001 series document this trip, though there is currently no actual evidence of that.

PAN001_ARC001: [Barro Colorado Island]: [Six unidentified women standing in front of a giant kapok tree], circa 1930-1940

Place: Barro Colorado Island (Panama)

Topic: Monkeys
Trees -- Panama

PAN001_ARC019: [\[Barro Colorado Island\]: Zarhynchus Nests, circa 1925-1929](#)

1 Lantern slide (black and white; 3.25 x 4 inches)

Lantern slide American Museum of Natural History

maker:

Photographer: Chapman, Frank M.

Notes: Mount reads: "Am. Mus. Nat. Hist., Central Park West, N.Y.C., Prepared by American Museum of Natural History." Historic negative number: "263766." This image appears opposite page 115 in Frank M. Chapman's 1929 book "My Tropical Air Castle." Its caption reads: "A Group of Oropendola Nests; the pair of parasitic Flycatchers (Legatus) is near the center of the picture." Zarhynchus wagleri is the former name for Psarocoius wagleri, an oropendula. Chapman was an expert on the species.

Place: Barro Colorado Island (Panama)

Topic: Birds
Nests
Trees -- Panama

PAN001_ARC020: [Barro Colorado Island]: New Oropendala colony, Barro Colorado, Canal Zone, circa 1925-1940

1 Lantern slide (black and white; 3.25 x 4 inches)

Image(s): [Barro Colorado Island]: [New Oropendala colony, Barro Colorado, Canal Zone](#)

Lantern slide American Museum of Natural History

maker:

Photographer: Chapman, Frank M.

Notes: Mount reads: "Am. Mus. Nat. Hist., Central Park West, N.Y.C., Prepared by American Museum of Natural History." Historic negative number: "290335." Like other black and white images, this one was probably taken by Frank M. Chapman, an expert on oropendolas. It may have been taken in an area known as the Pacora Marshes. The new nests are high in the tree in the center of the photograph.

Place: Barro Colorado Island (Panama)

Topic: Birds
Trees -- Panama
Marshes
Nests
Tropical plants

PAN001_ARC021: [Barro Colorado Island]: [Motmot \[probably Trogon\], circa 1925-1940](#)

1 Lantern slide (color; 3.25 x 4 inches)

Lantern slide American Museum of Natural History

maker:

Notes: Mount reads: "Am. Mus. Nat. Hist., Central Park West, N.Y.C., Prepared by American Museum of Natural History." Historic negative number: "277444." The photographer is not known, although it may have been Frank M. Chapman. Despite the labeling of the lantern slide, this bird appears to be a kind of Trogon. There may have been a mix-up in labeling the lantern slides because image PAN001_ARC025 is labeled "Trogon" (sic), while it is clearly a Motmot.

Place: Barro Colorado Island (Panama)

Topic: Birds
Trees -- Panama

PAN001_ARC022: [Barro Colorado Island]: [Puffbird, circa 1925-1929](#)

1 Lantern slide (color; 3.25 x 4 inches)

GCA045003: [Alpine Garden Lecture: High Alpine rocks above Salce Sunrise, Glacius Calce, circa 1920-1930](#)
1 Lantern slide (color; 3.25 x 4 inches)
Photographer: J. Horace McFarland Company
Notes: Mount reads: "J. Horace McFarland Company, Harrisburg, PA." Historic plate number: "3." According to the script for the lecture, this was a "lake fed by ten glaciers five thousand feet above Lake Louise." This would place the image in the vicinity of Lake Louise in Alberta, Canada. Five thousand feet above Lake Louise's 5,200 foot elevation, however, would reach the tops of the peaks surrounding the lake, rather than the lake itself, further adding to the mystery of identification.

GCA055: Christmas Wreaths and Holly

Notes: During the 1920s and 1930s, The Garden Club of America's Conservation Committee campaigned to raise awareness about native plants that were in danger of extinction due to excessive use as decorations during the Christmas season, sometimes referred to as the "Christmas Greens Movement." Garden clubs published articles urging the protection of certain plants and provided lists of decoration substitutes approved by State Representatives. Other efforts included holly tree themed luncheons and lantern slide presentations to educate the public about conservation efforts.

GCA055001: [\[Christmas Wreaths and Holly\]: \[Balsam Fir Christmas Wreath\], circa 1920-1930](#)

GCA063014: [\[Images by Herbert W. Gleason\]: Narcissus minor \[Lesser daffodil, Least daffodil\]](#), circa 1900-1930

1 Lantern slide (color; 3.25 x 4 inches)

Photographer: Gleason, Herbert Wendell, 1855-1937

Colorist: Gleason, Lulie Wadsworth Rounds, 1855-1934

Notes: Mount reads: "Herbert W. Gleason, Boston, Mass." Historic plate number: "14." Cultivars include 'Little Gem' and 'Cedric Morris'.

Topic: Flowers
Daffodils
Naturalized plantings
Narcissus (Plants)

GCA063015: [\[Images by Herbert W. Gleason\]: Narcissus calathinus \[Daffodil\]](#), circa 1900-1930

1 Lantern slide (color; 3.25 x 4 inches)

Photographer: Gleason, Herbert Wendell, 1855-1937

Colorist: Gleason, Lulie Wadsworth Rounds, 1855-1934

Notes: Mount reads: "Herbert W. Gleason, Boston, Mass." Historic plate number: "15." *Narcissus calanthinus* is a term associated with the titles of several botanical prints dating to the late 18th and early 19th centuries. It is not, however, acknowledged as a scientific name.

Topic: Narcissus (Plants)
Daffodils
Plant specimens

GCA063016: [\[Images by Herbert W. Gleason\]: Narcissus triandrus alba "Angel's Tears"](#), circa 1900-1930

1 Lantern slide (color; 3.25 x 4 inches)

Photographer: Gleason, Herbert Wendell, 1855-1937

Colorist: Gleason, Lulie Wadsworth Rounds, 1855-1934

Notes: Mount reads: "Herbert W. Gleason, Boston, Mass." Historic plate number: "16."

Topic: Narcissus (Plants)
Daffodils

GCA063017: [\[Images by Herbert W. Gleason\]: Tulipa praestans](#), circa 1900-1930

1 Lantern slide (color; 3.25 x 4 inches)

Photographer: Gleason, Herbert Wendell, 1855-1937

Colorist: Gleason, Lulie Wadsworth Rounds, 1855-1934

Notes: Mount reads: "Herbert W. Gleason, Boston, Mass." Historic plate number: "17." This species tulip is native to central Asia. Many cultivars have been developed from the original plant.

Topic: Tulips
Bulbs (Plants)
Rocks

GCA063018: [\[Images by Herbert W. Gleason\]: Tulipa batalinii](#), circa 1900-1930

1 Lantern slide (color; 3.25 x 4 inches)
Photographer: Gleason, Herbert Wendell, 1855-1937
Colorist: Gleason, Lulie Wadsworth Rounds, 1855-1934
Notes: Mount reads: "Herbert W. Gleason, Boston, Mass." Historic plate number: "18." This species tulip is native to Uzbekistan and has several cultivars such as 'Bright Gem'.
Topic: Tulips
Flowers

Films

Nature's Magic, circa 1950-1965
1 Film reel (16mm film)
Photographer: Atherton, Ballard
Notes: Note on film container indicates content is comprised of pictures by Ballard Atherton of blossoming flowers.

In Search of an English Garden, circa 1965-1969
1 Film reel (16mm film)
Film distributor: Technicolor Limited
Notes: According to an entry in the Journal of the Royal New Zealand Institute of Horticulture (March 1969), this film shows "sixteen gardens, each representative of its own type and ranging from the cottage garden to the large estate. This film is of very great value, both from its subject matter and the very high standard of photography and is ideal for showing to horticultural meetings. It is in sound and colour, size 16mm, runs twenty minutes."
Topic: Gardens, English

Unidentified film
1 Film reel
Notes: Film is affected by vinegar syndrome.

35mm Slide Lectures

The Archives of American Gardens, A Joint Project of The Garden Club of America and The Office of Horticulture, Smithsonian Institution; A Seventy-Fifth Anniversary Project of The Garden Club of America, circa 1992

234 Photographic slides (35mm slides; 2" x 2")

8 Sound cassettes (1/4" audiotapes)

Notes: Slide lecture highlights a broad range of gardens documented in The Garden Club of America Collection at the Archives of American Gardens. The file includes 35mm slides, lecture script, index of slides, and sound cassettes with recorded narration. There are two versions of the recorded lecture: one with audible pulses and one without audible pulses.

The Garden Club of America's Garden History and Design Committee, Zone
Lecture for Workshops and Annual Meeting, circa 1996

75 Photographic slides (35mm slides; 2" x 2")

Creator: Garden Club of America

Photographer: Engle, Corliss Knapp

Notes: Slide lecture gives an overview of the scope of The Garden Club of America Collection and highlights select gardens documented in the collection according to GCA geographic zone. The file includes 35mm slides and a list of slides. Lecture is missing slides numbered 16, 38, 50, 60, and 63.

TN130: Various Gardens and Sites in Lookout Mountain, Tennessee, circa
1950-1965

113 Photographic slides (color slides housed in metal mounts; 2" x 2")

Place: United States of America -- Tennessee -- Hamilton County --
Lookout Mountain

Topic: Gardens -- Tennessee -- Lookout Mountain

GCA066: Native plants growing in Westchester County, New York (featuring the
paintings of Eloise Luquer), circa 1929-1932

79 Photographic slides (35mm slides; 2" x 2")

Artist: Luquer, Eloise Payne, 1862-1947

Notes: Slides are accompanied by a lecture script that describes wild flowers growing in Westchester County, New York and illustrated with watercolor paintings by Eloise Luquer, a resident of that area. While Luquer lectured on wild flower preservation, the script was written by someone other than her.

Topic: Wild flowers
Watercolor painting
