Conditions Governing Use

For information or study purposes only. Use or copyright restrictions may exist. It is incumbent upon the researcher to ascertain copyright status and assume responsibility for usage. All requests for duplication and use must be submitted in writing to aag@si.edu and approved by Archives of American Gardens.

Biographical / Historical

J. Brough Schamp is a professional photographer specializing in architectural, environmental, and aerial photography in Baltimore, Maryland. He received a Bachelor of Fine Arts degree in Photography from the University of Michigan and began his own business in 1980.

Content Description

The J. Brough Schamp Garden Photography Collection contains hundreds of 35mm slides and 35mm transparencies of gardens, garden features, and flora photographed by garden photographer J. Brough

Shram from 1982 to 2002. The images document dozens of private and public gardens in Maryland, along with a few in Tennessee.

Arrangement

The collection is arranged geographically by state, according to the location of the garden.
