Administrative Information

Acquisition Information

Received from Joli Morgan in 1976.

Provenance

Previously titled "Bering Sea Eskimos 1968."

Preferred Citation

Joli Morgan films of Kasigluk, Human Studies Film Archives, Smithsonian Institution

Restrictions

The collection is open for research. Please contact the archives for information on availability of access copies of audiovisual recordings. Original audiovisual material in the Human Studies Film Archives may not be played.

Conditions Governing Use

Contact the repository for terms of use.

Scope and Contents

Footage shot in the Yupik village of Kasigluk, Alaska and adjacent locations along the Johnson River in spring of 1968 or 69. Footage includes various scenes of everyday village life such as ice fishing during the spring, catching and preparation of salmon, and inside village houses.

Film equipment and film purchased under a SI Urgent Anthropology Grant to Morgan who was a VISTA volunteer. Sound is an annotation recorded in 1984.

Collection contains supplementary material, namely, annotations (recorded narratives).

Please note that the contents of the collection and the language and terminology used reflect the context and culture of the time of its creation. As an historical document, its contents may be at odds with contemporary views and terminology and considered offensive today. The information within this collection does not reflect the views of the Smithsonian Institution or Anthropology Archives, but is available in its original form to facilitate research.
