The National Anthropological Archives holds the River Basin Survey papers.

Preferred Citation

W. Raymond Wood film of the River Basin Survey in Fort Pierre, South Dakota, Human Studies Film Archives, Smithsonian Institution

Restrictions

The collection is open for research. Please contact the archives for information on availability of access copies of audiovisual recordings. Original audiovisual material in the Human Studies Film Archives may not be played.

Conditions Governing Use

Contact the repository for terms of use.

Scope and Contents

Footage taken by W. Raymond Wood when he was a member of the Smithsonian Institution River Basin Surveys field party directed by Franklin Fenenga. Footage includes excavation work at the Indian Creek, the Buffalo Pasture, and the Thomas Riggs sites.

Please note that the contents of the collection and the language and terminology used reflect the context and culture of the time of its creation. As an historical document, its contents may be at odds with contemporary views and terminology and considered offensive today. The information within this collection does not reflect

the views of the Smithsonian Institution or Anthropology Archives, but is available in its original form to facilitate research.

Local Numbers

HSFA 1988.1.1
