Preferred Citation

University of Illinois educational film collection, Human Studies Film Archives, Smithsonian Institution

Restrictions

The collection is open for research. Please contact the archives for information on availability of access copies of audiovisual recordings. Original audiovisual material in the Human Studies Film Archives may not be played.

Conditions Governing Use

Contact the repository for terms of use.

Scope and Contents

Collection consists of approximately 20 educational films relating to Japanese society and culture that were being retired from the University of Illinois-Urbana Asian Educational Media Service.

Please note that the contents of the collection and the language and terminology used reflect the context and culture of the time of its creation. As an historical document, its contents may be at odds with contemporary views and terminology and considered offensive today. The information within this collection does not reflect the views of the Smithsonian Institution or Anthropology Archives, but is available in its original form to facilitate research.

Local Numbers

HSFA 2004-008; HSFA 2004-016; HSFA 2007-018

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Types of Materials:

Sound films

Places:

East Asia
Japan

Container Listing

The Scroll of Time, a Visual History of Japan, 1982

1 Film reel (color sound; 1,080 feet; 16mm)

Notes: Edited film produced by Sakura Motion Picture Company is a capsule summary of Japanese history. Film ends with a warning that traditional Japanese values are threatened by the results of industrialization: pollution, urban sprawl, and the depersonalization of everyday life.
