Administrative Information

Acquisition Information

Received from Janice Haynes in 2008.

Preferred Citation

Smithsonian Cooperative Research Programme collection, Human Studies Film Archives, Smithsonian Institution

Restrictions

The collection is open for research. Please contact the archives for information on availability of access copies of audiovisual recordings. Original audiovisual material in the Human Studies Film Archives may not be played.

Conditions Governing Use

Contact the repository for terms of use.

Scope and Contents

Film and photographic materials associated with the project, Traditional Technology of Ceylon, a cooperative 1968-1973 project between the Programme with the Ethnotrechnology of South Asia Research Programme, University of New South Wales and the Smithsonian Cooperative Research Programme.

Please note that the contents of the collection and the language and terminology used reflect the context and culture of the time of its creation. As an historical document, its contents may be at odds with contemporary views and terminology and considered offensive today. The information within this collection does not reflect the views of the Smithsonian Institution or Anthropology Archives, but is available in its original form to facilitate research.
