Scope and Contents

The Georg Karl Neumann papers contain his correspondence, manuscripts, notes and research, teaching files, photographs, and electronic database.

Please note that the contents of the collection and the language and terminology used reflect the context and culture of the time of its creation. As an historical document, its contents may be at odds with contemporary views and terminology and considered offensive today. The information within this collection does not reflect the views of the Smithsonian Institution or National Anthropological Archives, but is available in its original form to facilitate research.
