Biographical Note

Dr. Joseph K. Long was an associate professor of medical anthropology at Plymouth State College of the University of New Hampshire (now Plymouth State University) and a founder and former president of the Society for the Anthropology of Consciousness.

Scope and Contents

This collection, which dates from circa 1958-1992, consists of the professional papers of Dr. Joseph K. Long. The papers are comprised of correspondence, articles, brochures, programs, research, reports and materials relating to Long's activities with the Society for the Anthropology of Consciousness and its journal, Anthropology of Consciousness.

Please note that the contents of the collection and the language and terminology used reflect the context and culture of the time of its creation. As an historical document, its contents may be at odds with contemporary

views and terminology and considered offensive today. The information within this collection does not reflect the views of the Smithsonian Institution or National Anthropological Archives, but is available in its original form to facilitate research.
