Administrative Information

Provenance

The strips of paper were written and collected by Padilla in the 1850s and 1860s while he was president of the Mexican Society of Geography and Statistics. Purchased from Alice W. Kurtz, September 11, 1919.

Citation

Manuscript 1770, National Anthropological Archives, Smithsonian Institution

Biographical / Historical

Compiled ca. 1906.

Scope and Contents

Both volumes are bound notebooks with strips of paper pasted to each page, in the form of a scrapbook. It is a collection of Indian place names of Central America. A biographical sketch of Dr Padilla, published after his death, and a newspaper article concerning his work are also included in the first volume.

Local Numbers

NAA MS 1770

Local Note

typescript and autograph document
