Administrative Information

Provenance

The collection was given to William H. Crocker by Floyd G. Lounsbury and donated to the National Anthropological Archives by Crocker in 1998.

Preferred Citation

MS 1998-31 Mayan Codex, National Anthropological Archives, Smithsonian Institution

Restrictions

The collection is open for research.

Access to the collection requires an appointment.

Conditions Governing Use

Contact the repository for terms of use.

Scope and Contents

This collection is comprised of an undated Mayan codex, consisting of 12 accordion-folded panels measuring approximately 5 x 4.5 inches each, with color illustrations and Maya script on both sides.

Please note that the contents of the collection and the language and terminology used reflect the context and culture of the time of its creation. As an historical document, its contents may be at odds with contemporary views and terminology and considered offensive today. The information within this collection does not reflect the views of the Smithsonian Institution or National Anthropological Archives, but is available in its original form to facilitate research.
