Administrative Information

The documents bear the stamped date January 15, 1874 (perhaps the date they were received by the Smithsonian).

Citation

Manuscript 206, National Anthropological Archives, Smithsonian Institution

Scope and Contents

There is a set of miscellaneous notes based on each of the Indian vocabularies; also a photostatic copy of the manuscript. The vocabularies appear to be derived from material in National Anthropological Archives manuscripts 144 (Ross); 132 (Kennicott, Chipewyan); 120 (Kennicott, Slave); 141 (Kennicott, Hare); and 221 (Petitot, Hare). Differences between forms in this manuscript and those in the originals suggests that some analysis was carried out by Roehrig.
