Administrative Information

Citation

Manuscript 2538, National Anthropological Archives, Smithsonian Institution

Scope and Contents

Pencil and crayon drawings intermixed with Manuscript notes by Mooney. Oversize drawings identified as Cheyenne, Cheyenne or Arapaho, Kiowa, Dakota and Comanche. Typed list of these, with annotations made by Father Peter J. Powell during visit to National Anthropological Archives is included with master list of drawings in N.A.A. Many of the oversize drawings were preliminary sketches for the Cheyenne tipi curtain now on exhibit at the Field Museum of Natural History, Chicago, Illinois. Previously cataloged as "Kiowa and others." However, it was changed to the Cheyenne file after more complete identifications supplied by Karen D. Peterson and Father Powell showed that the majority of the drawings were Cheyenne.

Scope and Contents

Box I: Notes and drawings relating to men and horses in war paint, shields, tipis, shield tripods, lances and pennants. (Oklahoma) (March, 1902-April, 1906.) Pencil and crayon drawings intermixed with

Manuscript notes by Mooney. 219 pages and slips (some with material on both sides.) List of owners of shields and tipis, in handwriting of unknown person, with Manuscript notes by both Karen D. Peterson and Father Peter J. Powell. (Washington, D.C.)(1968 ?-1971.) Manuscript document. 7 pages. According to list, 51 of the 80 owners have been identified as "Cheyenne" or "Cheyenne?"; 12 owners have been identified "Kiowa" or "Kiowa?"; 8 are unidentified; 3 each are Kiowa-Apache and Arapaho; and one each is Comanche, Crow and Ute.

Scope and Contents

The tipis are shown in finished drawings in Manuscript Number 2531, Volumes 9 and 10. The entire contents of boxes are discussed in detail in Manuscript Number 2531, volume 5; notations apparently refer to what pages in 2531, volume 5 discuss the subject of the drawing, e.g., the note "54-55a" on David Pendleton's shield. Drawings with notes have been separated by name of owner and filed alphabetically in sections on shields and tipis. Most of the drawings have Manuscript notes by Mooney as to owner, date, artist and place; for details see individual photo catalog cards to copy neg. nos. 72-1826 CN through 72-1926 CN, 72-1939 CN and and 72-1940 CN. A few drawings were also signed by the artists themselves. All the drawings which are dated, date between March, 1902 and April, 1906; the Administrative Reports of BAE-ARs for those years confirms Mooney's presence in Oklahoma from February 1902 until he left in April, 1906.

Scope and Contents

Box 2: Unidentified shield and tipi drawings. Many of the numbered pages are those cut by Mooney from his Kiowa volumes (Bureau of American Ethnology Manuscript Number 2531, Volumes 1-5). Oversize drawings: Tribes tentatively identified as Cheyenne, Cheyenne or Arapaho, Kiowa, Dakota, Comanche. 16 drawings. See typed list; copy filed with drawings, master copy inserted in Master copy of catalog of drawings, 11/71.
