Language:	Undetermined .

Administrative Information

Provenance

A note with the manuscript signed "C. F." (?) attributes the manuscript to Bushnell. Someone else has attributed it to Fowke, probably correctly. There is nothing in the Bureau of American Ethnology Annual Reports about Fowke's activities in 1916, but manuscript states that his work was done for the Illinois Historical Society in May-June, 1916.

Available Formats

Ink sketch photographed; negative No. 56,883

Citation

Manuscript 3097, National Anthropological Archives, Smithsonian Institution

Scope and Contents

Also ink sketch on tracing cloth, showing ground plan and two sections of mound.
