## Biographical / Historical

This file is apparently one received from Dr. Fewkes although his name appears nowhere on the old cards. Fewkes excavated Heshota Uthla, having succeeded Cushing in charge of the Hemenway Expedition. Miss Margaret Magill was a sister of Cushing's wife and later married F.W. Hodge. If drawings weren't made when Fewkes was in charge of Hemenway Expedition, then Fewkes apparently "inherited" them when he took over. Presumably this is one of the files Stirling got back from Fewkes home--most of which I combined in 1956.(preserving old catalog numbers) under Number 4408.-M.C. Blaker There is a reference to this catalog number at the end of the listing of Fewkes papers I made in 1956. I probably corrected numbers with Fewkes of the site-name M.C.B. 1969
