Collection Overview

Repository:	National Anthropological Archives
Title:	MS 3452 Paper propounding various theories relative to the Carthaginians or other Mediterranean nations as being the source from which the southern Indians in Mexico and Peru are descended
Date:	undated
Identifier:	NAA.MS3452
Creator:	ANONYMOUS
Extent:	14 Pages
Language:	Undetermined .

Administrative Information

Provenance

Previously titled "Paper."

Citation

Manuscript 3452, National Anthropological Archives, Smithsonian Institution

Scope and Contents

Unsigned and undated, propounding various theories relative to the Carthaginians or other Mediterranean nations as being the source from which the southern Indians in Mexico and Peru are descended. Includes extract from a communication from Noah Webster, September 3, 1789, to the American Museum, a magazine published in Philadelphia by Matthew Carey.
