Manuscript 3492, National Anthropological Archives, Smithsonian Institution

Scope and Contents

Identified by Ives Goddard, 3/30/77, as follows: "Manuscript is Wyandot word list in Hewitt's handwriting, copied with minor differences from Manuscript 378. The numbers refer to the pages and lines of the 1880 Powell schedule ("Introduction of the Study of Indian Language"). This copy lacks page 77 through page 82, line 12. There are some minor changes in transcription, some fuller glosses, and some additional forms in # 3492; e. g. word added at top of 1st page of # 3492 and explanation added on page 2 for original page 82, line 38."

Also letter from Connelley to Hewitt concerning Wyandot language and culture. Topeka, Kansas. October 2, 1902. Typescript letter signed. 2 pages.
