Repository:	National Anthropological Archives
Title:	MS 4281 Card catalog of trade and resources
Date:	undated
Identifier:	NAA.MS4281
Creator:	Swanton, John Reed, 1873-1958
Extent:	2,400 Items (ca. 2400 cards)
Language:	Undetermined .

Administrative Information

Citation

Manuscript 4281, National Anthropological Archives, Smithsonian Institution

Scope and Contents

Originally intended as a study in aboriginal trade routes but was expanded to include an attempt to locate sources of raw materials, hunting and fishing grounds, and so on, but the program proved too big and the results were laid aside. It is hoped that at some time it may develop into an ethnological survey and a series of accompanying maps.--J.R.S.
