---

## Administrative Information

### Provenance

Received from Smithsonian Institution Libraries, 3/16/76. Manuscript Document National Museum catalog Number 193451. National Anthropological Archives accession 76-117.

### Citation

Manuscript 7083, National Anthropological Archives, Smithsonian Institution

---

## Scope and Contents

Notes include statements from Moroccan informants about the existence, location, physical and cultural characteristics of and superstitions about the pygmies. The handwritten notes include some statements by Moroccan and European informants that are not included in the typescript. Letters include: Haliburton to Max Muller, August 8, 1891, summarizing findings about the pygmies and providing brief notes on Berber and pre-Berber languages; Haliburton to Otis T. Mason, August 11, 1891, transmitting the notes and letter to Muller; Haliburton to Mason, September 6, [1891], giving permission to publish the notes and other information.
