Administrative Information

Citation

Manuscript 868, National Anthropological Archives, Smithsonian Institution

Biographical / Historical

From Alikano, a full-blood Indian living on Mr. Jasper's ranch near San Luis Obispo. October 19-28, 1884; and 1888.

Scope and Contents

Handwritten in ink. The 1884 portion is apparently a neat copy from the Obispeno portion of Number 296, with the addition of a note identifying the informant. To this has been added in a different shade of ink material obtained from the same informant in 1888.

Bibliography

This is the manuscript utilized by Heizer in University of California Anthropological Records, Volume 15, Number 2, 1955, and referred to by him as Number 852-a (a number which the manuscript erroneously carried at the time it was filmed for Heizer).
