Photographs of Mississippi Choctaw people, 1925

42 Prints

Photographer: Collins, Henry Bascom, 1899-1987

Notes: NAA MS.4974

These photographs were taken by Collins in connection with an anthropomorphic study of the Choctaw. This is part of a series of front and profile portraits of 58 individuals, most of whom are identified. A list of names with respective measurements is in MS 4976. Collins' original negatives for these prints are with his papers.
