This is not the Cheyenne Little Wolf, the Sweet Medicine Chief. My recollection is that this is Little Hawk, a relative of Crazy Horse. Check with Dr. Raymond DeMallie. Father Peter Powell 02-22-95.

Cf. woodcut shown in OPPG NEG 54,855. Original print erroneously marked, "Little Hawk," as was the original for BAE NEG 365K of Little Wolf and Lt. Clark. The source of this error seems to be the Mitchell photo studio. A printed list of 54 Indian portraits on the back of stereos of this and other subjects circulated by Mitchell, McGowan & Co. lists No. 24 as "Little Hawk and Lt. Clark."

This is Little Hawk, an Oglala. I. Nagy.
