## Biographical Note

Marcus Solomon Goldstein (1906-1997) was a physical anthropologist specializing in paleopathology, a public health analyst, and pioneer of dental anthropology. He received his BA and MA from George

Washington University and a PhD from Columbia University. Following graduation, he worked as an aide to Ales Hrdlicka of the United States National Museum in 1927. After World War II, Goldstein started on a career in various government agencies, including the US Public Health Service, National Institutes of Mental Health, and the Social Security Administration. He moved to Israel in 1971, where he joined the Department of Anatomy and Anthropology at Tel Aviv University. In 1987 he was given the Distinguished Service Award of the the Israel Association of Anthropology.

---

## Scope and Contents

The collection consists of snapshots, including images of Alex Dony Krieger, Charles Kelley, William Benjamin Newell, and Marcus Goldstein. There are also views of the University of Texas Laboratory of Physical Anthropology, a site at Marshall Ford, and an Indian mound on the Louisiana State University campus.
