## Biographical Note

Douglas H. Ubelaker (b. 1946) is a forensic anthropologist, curator of biological anthropology in the Smithsonian Institution Department of Anthropology, and a Professorial Lecturer in Anthropology and Anatomy at The George Washington University. He has published research on the paleopathology, paleodemography, and osteology of ancient populations.

## Scope and Contents

Photographs of human bone used in the Cultural Resource Management Studies publication issued by the Department of Interior in 1980. Some of the images show the results of excavations in South Dakota and Maryland, views of masses of bones in an ossuary in Maryland and burial urns in Ecuador, and an example of trephination.

---

## Bibliography

Photographs published in Douglas H. Ubelaker, *Human Bones and Archeology*, Cultural Resource Management Series, U.S. Department of Interior, 1980.
