### Preferred Citation

Photo Lot 97-24, Sheldon Judson photographs of San Jon archeological site and surrounding areas, National Anthropological Archives, Smithsonian Institution.

### Restrictions

The collection is open for research.

Access to the collection requires an appointment.

### Conditions Governing Use

Contact the repository for terms of use.

## Biographical Note

Sheldon Judson (1918-1999) was an archeologist and professor of geosciences at Princeton University. Judson wrote his Geology PhD dissertation on the San Jon region and took part in Frank H. H. Roberts's Smithsonian-sponsored excavations at San Jon in 1941 and 1947. He wrote numerous geo-archeological reports, including "Geology of the San Jon Site, Eastern New Mexico," published by the Smithsonian Institution in 1953.

---

## Scope and Contents

Images of excavations at San Jon archeological site, surrounding areas and terrain, and a burial near Lila, Texas.

---

## Bibliography

Photograph published in Vance T. Holliday, *Paleoindian Geoarchaeology of the Southern High Plains*, Austin: University of Texas Press, 1997.

---

## Local Call Number(s)

NAA Photo Lot 97-24, NAA Photo Lot 96-2
