## Administrative Information

### Provenance

Donated by Waldo Wedel, Archaeologist Emeritus in the Smithsonian Department of Anthropology, 1985.

### Location of Other Archival Materials

The National Anthropological Archives holds the papers of Waldo Rudolph Wedel and Mildred Mott Wedel and an Oral history interview of Waldo R. Wedel (MS 2011-29).

### Location of Other Archival Materials

Reports by Emil W. Haury can be found in the National Anthropological Archives in MS 3304-a, MS 3199, and MS 3972-a-b-c-d-e.

### Location of Other Archival Materials

Reports by Florence Hawley Ellis can be found in the National Anthropological Archives in MS 7082.

### Other Finding Aids

Inventory available in repository.

### Preferred Citation

Photo Lot R85-12, Helga Teiwes photographs of reunion of Andrew Endicott Douglass's first dendrochronology class, National Anthropological Archives, Smithsonian Institution

### Restrictions

The collection is open for research.

Access to the collection requires an appointment.

### Conditions Governing Use

This collection has been obtained for reference purposes only. Permission for reproduction or use must be obtained from the Arizona State Museum.

## Biographical Note

Andrew Ellicott Douglass (1867-1962) pioneered dendrochronology, the use of tree rings to date material found in archeological sites, and founded the University of Arizona Tree-Ring Laboratory. On February 14, 1985, the Arizona State Museum hosted a reunion of Douglass's 1930 dendrochronology class; the four students in attendance were Waldo Wedel, Florence Hawley Ellis, Emil W. Haury, and Clara Lee Tanner. Also in attendance were Arizona State Museum and Centennial Director Dr. Raymond Thompson and tree-ring professor Dr. Bryant Bannister.

---

## Scope and Contents

Photographs and poster documenting the reunion at the University of Arizona of A. E. Douglass's first class on tree-ring studies, part of the University's Centennial celebrations. The photographs depict attendees at the reunion of the class on its fifty-fifth anniversary, including Waldo Wedel, Emil Haury, Florence Hawley Ellis, Clara Lee Tanner, Bryant Bannister, and Raymond Thompson.
