African-American site reports collection, National Anthropological Archives, Smithsonian Institution

Restrictions

Access to the African-American site reports collection requires an appointment.

Conditions Governing Use

Contact the repository for terms of use.

Scope and Contents

This is a collection of reports of archaeological excavations of African- American Sites from the 1970s through the 1990s. Some of the states represented are Arkansas, Delaware, Massachusetts, South Carolina, Tennessee, and Virginia.

Please note that the contents of the collection and the language and terminology used reflect the context and culture of the time of its creation. As an historical document, its contents may be at odds with contemporary views and terminology and considered offensive today. The information within this collection does not reflect the views of the Smithsonian Institution or National Anthropological Archives, but is available in its original form to facilitate research.

Arrangement

Reports are in alphabetical order by author's last name.
