Biographical / Historical

Harvey F. Pierce was a partner with Maurice H. Connell and Associates, an architecture and engineering firm who did work for NASA during the 1960s. During Pierce's work at Cape Canaveral, he took slides of the launch complexes.

Scope and Contents

This collection consists of 173 slides of launch complexes, mainly Complexes 34 and 37 and the Vertical Assembly Building (VAB), at Cape Canaveral during the 1960s. These complexes were used for Saturn 5/ Apollo launches and were subsequently modified for the Space Shuttle.
