No restrictions on access

### Conditions Governing Use

Material is subject to Smithsonian Terms of Use. Should you wish to use NASM material in any medium, please submit an Application for Permission to Reproduce NASM Material, available at [Permissions Requests](#)

---

## Scope and Contents

This collection of 264 negatives, with corresponding contact prints, concerns the 2nd Bomb Group at Langley Field, Virginia. These images were shot to aid the filming of "Test Pilot," which starred Clark Gable. The images include shots of uniforms, buildings at Langley Field, Boeing B-17 bombers and images of Clark Gable's double for this film.

---

## General

Note: While there are 264 negatives, there are three shots of each image. There are only 88 unique images that appear in this photography.
