## Biographical / Historical

Max Schoenfeld was the author of the book entitled, *Stalking the U-boat: USAAF Offensive Antisubmarine Operations in World War II*. This book, published in 1995 by the Smithsonian Press as part of the Smithsonian History of Aviation series, recounts the story of the United States Army Air Forces' antisubmarine operations against German U-boats during the crisis of the Battle of the Atlantic in late 1942 and 1943.

---

## Scope and Contents

This collection consists of copies of formerly classified reports, minutes and correspondence gathered by Max Schoenfeld for his research. This collection also contains some secondary source material copied from books. There is no original material in this collection, only copies.

---

## General

The book "*Stalking the U-boat: USAAF Offensive Antisubmarine Operations in World War II*" is available in the National Air and Space Museum Branch Library.
