## Biographical / Historical

"The Men who Brought the Dawn: The Atomic Missions of Enola Gay and Bock's Car" is a documentary film produced in 1995 by Greenwich Workshop, Inc. The 64 minute film includes archival footage, along with personal interviews of the crew of Bock's Car and the Enola Gay, including their reflections on their participation in the historic events of 1945. This film was shown in the National Air and Space Museum's Enola Gay Exhibit.

---
