Biographical / Historical

The Dominguez Air Meet was held January 10-20, 1910, at Los Angeles' Dominguez Field. Louis Paulhan and Glenn Curtiss were the two most famous aviators, and were joined by aviators Charles F. Willard, Charles K. Hamilton and M. Miscarol. Three records were broken at the Air Meet: the records for both altitude and distance were set by Paulhan; and the record for speed with a passenger was set by Curtiss. Roy Knabenshue and Lincoln Beachey also operated their dirigible balloons at this meet.

Scope and Contents

This collection consists of sixteen black and white 3.5 by 6 inch negatives, two black and white 3.75 x 4.5 inch negatives and one 3.5. by six black and white print of scenes from the 1910 Dominguez Air Meet in Los Angeles, California. This collection also contains two newspaper articles on the Air Meet: "By the Way...with Bill Henry," and a newspaper photo from the Air Meet in the Los Angeles Express, January 20, 1910.
