## Biographical / Historical

Dorn McGrath is Professor Emeritus of Urban and Regional Planning and Geography. In 2003 he retired from the George Washington University where he was the founder of the Department of Urban and Regional Planning, Director of the Institute for Urban Development Research, Chairman of the Department of Geography and Regional Science, Professor of Urban and Regional Planning, and one of the founders of the University's Graduate Program in Historic Preservation. McGrath's interest in airports stems from his interest in urban development and planning.
