Biographical / Historical

James Hartwell collected these materials during this career at both Lockheed and North American Aviation when he was employed in the early 1960s.

Scope and Contents

This collection contains periodicals, publications, and one memorandum collected by an employee of both Lockheed and North American Aviation companies during the 1960s. Periodicals include four 1961 issues of North American Aviation's *Skyline* and one 1961 issue of *Skywriter* as well as three 1961 issues of Lockheed's *Trajectory*, and seven 1965 issues of *The Lockheed Star*. Publications include a "Report from Mars: Mariner IV, 1964-1965" from NASA's Jet Propulsion Laboratory and Lockheed's 1965 annual report. The memoranda is from October 1965 and titled: "Lockheed's Agena Ready for Rendezvous."

Arrangement

Arranged alphabetically by company name, thereunder in reverse chronological order.
