Conditions Governing Use

Material is subject to Smithsonian Terms of Use. Should you wish to use NASM material in any medium, please submit an Application for Permission to Reproduce NASM Material, available at [Permissions Requests](#)

Scope and Contents

This collection consists of drawings, posters and unassembled silhouette recognition models produced by the Aircraft Identification Section of the United States Army Air Service of aircraft in active service during World War II. The posters and drawings include silhouette three-view drawings, photographs from several angles, and/or cut away drawings of the aircraft. The aircraft models are made of punched cardboard, each with description and assembly instructions.
