---

## Biographical / Historical

The Institute of Aeronautical Sciences (IAS) was established in 1932 as a society of aeronautics-related professionals after the model of the British Royal Aeronautical Society. The stated purpose of the IAS is to "advance the art and science of aeronautics [and] to publish works of literature, science, and art for such purpose...."

---

## Scope and Contents

This collection consists of photographs of prominent members of the IAS. Many of the photographs are signed or otherwise inscribed.
