## Administrative Information

### Acquisition Information

United Nations is a portion of the Business Ephemera Series of the Warsaw Collection of Business Americana, Accession AC0060 purchased from Isadore Warsaw in 1967. Warsaw continued to accumulate similar material until his death, which was donated in 1971 by his widow, Augusta. For a period after acquisition, related materials from other sources (of mixed provenance) were added to the collection so there may be content produced or published after Warsaw's death in 1969. This practice has since ceased.
