Administrative Information

Immediate Source of Acquisition

Source unknown, but possibly originally in Warshaw Collection of Business Americana.

Ownership and Custodial History

Items found in collection, in Archives Center vault; possibly originally part of Warshaw Collection of Business Americana, or collected subsequently by curator John Hoffman.

Processing Information

Collection processed by NMAH Staff, undated

Preferred Citation

Caterpillar Tractor Company Photoprints, Archives Center, National Museum of American History, Smithsonian Institution.

Preferred Citation

Collection processed by NMAH Staff, undated

Restrictions

Collection is open for research.

Terms Governing Use and Reproduction

Collection items available for reproduction, but the Archives Center makes no guarantees concerning copyright restrictions. Other intellectual property rights may apply. Archives Center cost-recovery and use fees may apply when requesting reproductions.

Biographical Note

Photographs probably commissioned by Caterpillar for public relations or advertising use.

Scope and Contents

11 photoprints of Caterpillar Tractor Co. buildings and products: three photographs of company buildings, including two aerial views, and eight photographs of tractors, including views of machines at work in various locations. Tractors with various models of scrapers are shown in San Antonio, Texas; Whittier, California; and Colquitt County, Georgia. Locations of five tractor views unidentified: one shows two stationary tractors, the others show machines at work in roadbuilding and cemetery construction.
