Collection Overview

Repository:	Archives Center, National Museum of American History
Title:	Matthew Mawhinney Industrial Furnace Collection
Date:	1917-1978
Identifier:	NMAH.AC.0224
Source:	National Museum of American History (U.S.). Division of Engineering and Industry (Collector)
Creator:	Mawhinney, Matthew (engineer)
Extent:	1 Cubic foot (3 boxes)
Language:	English .
Summary:	Matthew Mawhinney, an engineer specializing in industrial furnace design and operation, collected this material during his career with Salem Engineering Co. and later as a consulting engineer.

Administrative Information

Acquisition Information

Collection donated by Mrs. Matthew H. Mawhinney, 1978.

Provenance

Collection transferred to the Archives Center from the Division of Engineering and Industries (now Division of Work and Industry) on August 7, 1986.

Processing Information

Collection processed by Don Darroch, October 1986

Preferred Citation

Matthew Mawhinney Industrial Furnace Collection, 1917-1978, Archives Center, National Museum of American History.

Restrictions

Collection is open for research.

Conditions Governing Use

Collection items available for reproduction, but the Archives Center makes no guarantees concerning copyright restrictions. Other intellectual property rights may apply. Archives Center cost-recovery and use fees may apply when requesting reproductions.

Biographical / Historical

Matthew Mawhinney, a graduate of Carnegie Institute of Technology and an engineer specializing in industrial furnace design and operation, collected this material during his career with Salem Engineering Co. (Salem, Ohio) and later as a consulting engineer.

Scope and Contents

The collection includes several engineering textbooks authored by Mr. Mawhinney and others. Also included is correspondence of Mr. Mawhinney with professional engineering groups relating to articles in professional journals and presentations to meetings of professional societies. This collection also includes correspondence with numerous industrial corporations and many photographs of furnaces and other industrial equipment.

Arrangement

The collection is divided into three series.

Series 1: Correspondence

Series 2: Photographs

Series 3: Publications

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

Engineering
Furnaces

Types of Materials:

Correspondence -- 1930-1950

Names:

National Museum of American History (U.S.). Division of Engineering and Industry
Salem Engineering Co.

Places:

Ohio
Salem (Ohio)

Container Listing

Series 1: Correspondence

Box 1, Folder 2	Mrs. Matthew Mawhinney - Robert Vogel, 1978
Box 1, Folder 3	Babcock & Wilcox
Box 1, Folder 3	Iron & Steel Elec. Eng., Youngstown April 1934
Box 1, Folder 4	ASME St. Louis June, 1938
Box 1, Folder 5	Watterson
Box 1, Folder 6	Refractories, Misc.
Box 1, Folder 7	Spaulding 1952 #1
Box 1, Folder 8	Spaulding 1952 #2
Box 1, Folder 9	Spaulding 1952 #3
Box 2, Folder 10	Spaulding 1952 #4
Box 2, Folder 11	American Ceramic Society, Buffalo, Feb. 17-22, 1935
Box 2, Folder 12	Alfred University June 7, 1935
Box 2, Folder 13	Iron and Steel, Cleveland 09/25/1941
