Administrative Information

Immediate Source of Acquisition

This collection was purchased from James Stutsman, 1984. The donor acquired this material from his father, who bought it at an auction in Wilton Junction, Iowa.

Provenance

Collection transferred from the Division of Musical Instruments (now Division of Cultural and Community Life), January 20, 1987.

Processing Information

Collection processed by Barbara Kemp, 1987

Preferred Citation

Item title and date, James Stutsman Band Book Collection, Archives Center, National Museum of American History, Smithsonian Institution.

Restrictions

Collection is open for research.

Conditions Governing Use

Collection items available for reproduction, but the Archives Center makes no guarantees concerning copyright restrictions. Other intellectual property rights may apply. Archives Center cost-recovery and use fees may apply when requesting reproductions.

Historical

This is a set of manuscript brass band parts used by a municipal band in Wilton Junction, Iowa. It was bought by the father of the donor at a local auction in Wilton Junction. Most of the books are signed "Fred Maurer's Book," and one is signed "J. B. Maurer's Book". Presumably, Mr. Fred Maurer was the leader and/or arranger.

Scope and Contents

The set consists of nine books with a fragment of a tenth which seems not to be related to the other nine. Eight of the nine books, which are basically intact, offer a complete enough assortment to produce a usable performance set. The 1st althorn is missing, but the 2nd alto is present. Also, possibly missing are: 2nd Eb cornet, 2nd Bb tenor, and the snare drum.

The books include: Bass drum; 2nd Bb cornet; 11nd Eb Alto; Eb Bass; 11nd Bb cornet; 1st Eb cornet; Bb Bass; 1st Bb tenor; and 1st Bb cornet.
