Scurlock Studio Records, Subseries 4.11: Customcraft Negatives

NMAH.AC.0618.S04.11

David Haberstich and Vanessa Broussard-Simmons

The collection was acquired with assistance from the Eugene Meyer Foundation. Elihu and Susan Rose and the Save America's Treasures program, provided funds to stabilize, organize, store, and create digital surrogates of some of the negatives. Processing and encoding funded by a grant from the Council on Library and Information Resources.

Preferred Citation

Scurlock Studio Records, Archives Center, National Museum of American History. Smithsonian Institution

Restrictions

Collection is open for research.

Series 8: Business Records, Subseries 8.1: Studio Session Registers are restricted. Digital copies available for research. See repository for details.

Gloves must be worn when handling unprotected photographs and negatives. Special arrangements required to view negatives due to cold storage. Using negatives requires a three hour waiting period. Contact the Archives Center at 202-633-3270.

Conditions Governing Use

When the Museum purchased the collection from the Estate of Robert S. Scurlock, it obtained all rights, including copyright. The earliest photographs in the collection are in the public domain because their term of copyright has expired. The Archives Center will control copyright and the use of the collection for reproduction purposes, which will be handled in accordance with its standard reproduction policy guidelines. Archives Center cost-recovery and use fees may apply when requesting reproductions.

Biographical Note

The Scurlock photographic studio was a fixture in the Shaw area of Washington, D.C. from 1911 to 1994, and encompassed two generations of photographers, Addison N. Scurlock (1883-1964) and his sons George H. (1920- 2005) and Robert S. (1916-1994). [More...](#)

Scope and Contents

The materials represent the orders placed at the Custom Craft Studio. The subseries represents clients and subjects.

Arrangement

The negatives mostly appear to be arranged alphabetically, but the alphabet restarts twice and a few negatives are out of alphabetical order.
