Berlin Construction Company Records, Archives Center, National Museum of American History.

Restrictions

Collection is open for research.

Conditions Governing Use

Collection items available for reproduction, but the Archives Center makes no guarantees concerning copyright restrictions. Other intellectual property rights may apply. Archives Center cost-recovery and use fees may apply when requesting reproductions.

Scope and Contents

Blueprints and plans for facilities built by the company, including coal-handling bridges, coal unloading towers, dock trestles, and coal-handling plants and two photograph albums from the Berlin Iron Bridge Company, East Berlin, Connecticut. The images in one of the albums are mostly of factory scenes. The other album contains mostly images of bridges throughout Connecticut, Massachusetts, New York, and elsewhere in New England. The collection also contains blueprints and plans for facilities built by the company, including coal-handling bridges, coal unloading towers, dock trestles, and coal-handling plants.

Arrangement

The collection is arranged into one series.
