Processed by Franklin A. Robinson, Jr., archives technician, December 2008 and addenda March 2021 and October 2023, supervised by Vanessa Broussard Simmons, archivist, assisted by Kate Chrisman, student, June, 2008, supervised by John Fleckner, archivist. Audio portion processed by Alex Parker, intern, September, 2008 supervised by Wendy Shay, audiovisual archivist.

Preferred Citation

John-Manuel Andriote *Victory Deferred* Collection, Archives Center, National Museum of American History

Restrictions

The collection is open for research use.

Researchers must use reference copies of audiovisual materials. When no reference copy exists, the Archives Center staff will produce reference copies on an "as needed" basis, as resources allow. Viewing film portion of collection requires special arrangement with Archives Center staff. Do not use original materials when available on reference video or audio tapes.

Conditions Governing Use

Collection items available for reproduction, but copyright held by donor. Other intellectual property rights may apply. Archives Center cost-recovery and use fees may apply when requesting reproductions.

Biographical / Historical

John-Manuel Andriote writes in the preface to his book, *Victory Deferred: how AIDS changed gay life in America*, "I wrote *Victory Deferred* because, despite the abundance of books written about AIDS, no one until now has examined both the 'big picture' and its finer detail in considering the many ways AIDS affected the nation's hardest hit community, gay men." [1] To do this Andriote interviewed hundreds of persons involved in various aspects of the HIV/AIDS experience. The University of Chicago Press catalog for 1999 describes the book this way: "John-Manuel Andriote chronicles the impact of the disease from the coming-out revelry of the 1970s to the post-AIDS gay community of the 1990s, showing how it has changed both individual lives and national organizations." [2]

Andriote's 2017 book, *Stonewall Strong* is described as, ". . . a tour de force, interweaving John Manuel Andriote's personal journey with a trenchant analysis of societal transformation. He recounts the harrowing early days of recognizing the devastation of AIDS and his responses to becoming HIV-infected, while insightfully telling the parallel narrative of the evolution of the LGBTQ community, from pre-liberation to crisis management and beyond." [3]

Scope and Contents

The collection consists of interviews and research material collected by Andriote in researching his book, *Victory Deferred: how AIDS changed gay life in America*, published in 1999. Included are recorded and transcribed interviews Andriote conducted with activists, researchers, authors, and others involved in the fight against HIV and AIDS. The creator's original order and topic designations were maintained; span dates reflect the dates of the materials contained within the folder. All cassettes are ninety minutes in length unless otherwise noted. An addenda of interviews notebooks for interviews conducted in 2010 for the revised and updated version of *Victory Deferred* were added in 2021.

Series four contains interview transcripts and master cd for interviews conducted for Andriote's *Stonewall Strong* published in 2017 as well as reporter's notebooks, and notes on notepads associated with his research for the same publication.

Arrangement

Collection is arranged into three series.

Series 1, Audio Materials

Subseries 1, Original Interview Audio Cassettes, 1995-1997

Subseries 2, Transcripts of Interviews, 1993-1996, undated

Series 2, *Victory Deferred* Correspondence, Manuscript Drafts, Publication Material, and Writings, 1982-2008

Series 3, Research Notes and Collected Reference Materials, 1901-1998

Subseries 1, National AIDS Network (NAN), 1987-1990

Subseries 2, Publications, 1989-1997

Series 4, *Stonewall Strong*, interview transcripts and CD, 2015-2016, undated

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

- AIDS (Disease)
- AIDS (Disease) -- Prevention
- Epidemics
- Gay activists

Gays -- California -- San Francisco -- Interviews
HIV/AIDS awareness
Homosexuality
LGBTQ+
Lesbian and gay experience
