Processing Information

Processed by Franklin A. Robinson, Jr., archives technician, December 2008, supervised by Vanessa Broussard Simmons, archivist, assisted by Kate Chrisman, student, June, 2008, supervised by John Fleckner, archivist. Audio portion processed by Alex Parker, intern, September, 2008 supervised by Wendy Shay, audiovisual archivist.

Preferred Citation

John-Manuel Andriote *Victory Deferred* Collection, Archives Center, National Museum of American History

Restrictions

The collection is open for research use.

Researchers must use reference copies of audiovisual materials. When no reference copy exists, the Archives Center staff will produce reference copies on an "as needed" basis, as resources allow. Viewing film portion of collection requires special arrangement with Archives Center staff. Do not use original materials when available on reference video or audio tapes.

Conditions Governing Use

Copyright held by donor. Collection items available for reproduction, but the Archives Center makes no guarantees concerning copyright restrictions. Reproduction permission from Archives Center: reproduction fees may apply. All duplication requests must be reviewed and approved by Archives Center staff.

Biographical / Historical

John-Manuel Andriote writes in the preface to his book, *Victory Deferred: how AIDS changed gay life in America*, "I wrote Victory Deferred because, despite the abundance of books written about AIDS, no one until now has examined both the 'big picture' and its finer detail in considering the many ways AIDS affected the nation's hardest hit community, gay men." [1] To do this Andriote interviewed hundreds of persons involved in various aspects of the HIV/AIDS experience. The University of Chicago Press catalog for 1999 describes the book this way: "John-Manuel Andriote chronicles the impact of the disease from
the coming-out revelry of the 1970s to the post-AIDS gay community of the 1990s, showing how it has changed both individual lives and national organizations.” [2]

Scope and Contents

The collection consists of interviews and research material collected by Andriote in researching his book, Victory Deferred: how AIDS changed gay life in America, published in 1999. Included are recorded and transcribed interviews Andriote conducted with activists, researchers, authors, and others involved in the fight against HIV and AIDS. The creator's original order and topic designations were maintained; span dates reflect the dates of the materials contained within the folder. All cassettes are ninety minutes in length unless otherwise noted.

Arrangement

Collection is arranged into three series.

Series 1, Audio Materials

Subseries 1, Original Interview Audio Cassettes, 1995-1997

Subseries 2, Transcripts of Interviews, 1993-1996, undated

Series 2, Victory Deferred Correspondence, Manuscript Drafts, Publication Material, and Writings, 1982-2008

Subseries 1, National AIDS Network (NAN), 1987-1990

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

AIDS (Disease)
AIDS (Disease) -- Prevention
Epidemics
Gay activists
HIV/AIDS awareness
Homosexuality
Political activists

Types of Materials:
Interviews -- 1980-2000
Oral history -- 1980-2000

Names:
Gay and Lesbian Medical Association.
Mobilization Against AIDS. (San Francisco (CA))
