Collection Overview

Repository:	Archives Center, National Museum of American History
Title:	Railroad Trade Literature Collection
Identifier:	NMAH.AC.1136
Date:	1861-1994
Extent:	76 boxes
Language:	English Some materials in Spanish and German. Collection text is in English.
Summary:	The collection documents various aspects of railroad companies through pamphlets; trade catalogs; operating and service manuals, especially for railroad equipment; specifications; magazines and reprints; bulletins, and articles.

Administrative Information

Acquisition Information

Unknown.

Provenance

Transferred to the Archives Center from the Division of Work and Industry, 1995.

Processing Information

Processed by Laura Fielding (intern), March, 2009; supervised by Alison Oswald, archivist.

Preferred Citation

Railroad Trade Literature Collection, Archives Center, National Museum of American History, Smithsonian Institution

Restrictions

Collection is open for research.

Conditions Governing Use

Collection items available for reproduction, but the Archives Center makes no guarantees concerning copyright restrictions. Other intellectual property rights may apply. Archives Center cost-recovery and use fees may apply when requesting reproductions.

Arrangement

Collection is arranged into one series. Materials are arranged alphabetically.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Cultures:

- Railroad companies
- Railroads -- 19th century
- Railroads -- 20th century -- United States

Types of Materials:

- Magazines (periodicals) -- 20th century
- Manuals
- Pamphlets
- Trade literature -- 1920-2000

Container Listing

Series 1: Trade Literature, 1861-1994

Subseries 1.1: Abbot Iron Company, 1861

Box 1, Folder 1 Iron Rails Pamphlet, 1861

Subseries 1.2: Adams Motor and Manufacturing Company, undated

Box 1, Folder 2 "Adams Motor Car, Pook N' 5A" and "The Adams Motor Car: Guaranteed For Life", undated

Subseries 1.3: Adams and Westlake Company, 1886, 1887, 1905, undated

Box 1, Folder 3 Light Catalogue, undated

Box 1, Folder 4 Catalogue, 1887

Box 1, Folder 5 Air Brake Association "Questions and Answers on the Westinghouse and NY systems for beginning and advanced students", 1905

Box 1, Folder 6 Allen Paper Car Wheel Company "Engine and Car Wheels" (facsimile), 1886

Box 1, Folder 7 Allied Chemical and Dye Corporation, New Approach to R.R. Weed Control, undated

Subseries 1.4: Alco-GE, 1915-1953, undated

Box 15, Folder 2 Manual, undated

Box 15, Folder 3 Instruction Book Bulletin No. 303, undated

Box 15, Folder 4 1500 HP Road Locomotives Operating Manual, 1947

Box 15, Folder 5 2000 HP Road Locomotive Operating Manual, 1947

Box 15, Folder 6 2000 HP Road Locomotive Operating Manual, 1948

Box 15, Folder 7 Model RS-3 Road Switcher Operating Manual, 1950

Box 15, Folder 8 Model RSD-5, 1600 HP Road Switcher Operating Manual, 1953

Box 15, Folder 9 American Locomotive Sales Corporation, "Steam Locomotive Lubrication", undated

Box 15, Folder 10 American Railways Supply Co., Metal Works Catalogue, 1915

Box 15, Folder 11 American Sheet and Tin Plate Company, Rust Brochure, 1931

Subseries 1.5: Aluminum Company of America, 1933, 1947, 1904

Box 15, Folder 8 "Alcoa Aluminum in the Clark Autotram", 1933

Box 15, Folder 9 "Alton and Southern Railroad Aluminum Alloy Tender Tank, 1947

Box 15, Folder 10 American Balanced Valve Company, "The American Semi-Plug Piston Valve, Booklet No. 22", 1904

Subseries 1.6: American Brake Company, 1885, 1887, 1901

Box 15, Folder 11 American Brake Company, "The American Brake Company Catalog", 1885

Box 15, Folder 12 American Brake Company, Photocopy of Catalogue, 1885

Box 15, Folder 13 American Brake Company, "Locomotive Brakes", 1887

Box 15, Folder 14 American Brake Company, "Automatic Slack Adjuster Catalogue", 1901

Subseries 1.7: American Car and Foundry Company, 1920-1954

Box 2, Folder 2 Tank Car Book, 1920

Box 2, Folder 1 Tank Car Book, 1920

Box 2, Folder 3 A Collection of Data Relative to the streamlined trains designed and built by American Car and Foundry Company, 1935
